## A Visit to Hong Kong Oxygen & Acetylene Co. Ltd. – Tai Po Plant

IIE (HK) organized a visit to Hong Kong Oxygen (HKO) on 18<sup>th</sup> November 2006. HKO has kindly provided us an overview of gas manufacturing process. It was a valuable opportunity for our participants to learn more about the practices of their quality control and assurance. We would like to thank HKO and all the participants for their support to IIE(HK).
