Professor Fugee Tsung Elected to World's Top Academy for Quality

Check it out on the web

Prof. Fugee Tsung, Head of the Department of Industrial Engineering and Logistics Management at the Hong Kong University of Science and Technology (HKUST), also a former Asia Regional Vice President of IIE, has been elected to Academician of the International Academy for Quality (IAQ).

Being one of the most prestigious international organizations in the field of quality, the IAQ is composed of peer-nominated members who are recognized for their global prominence and professional or academic contributions to quality.

We would like to express our sincerest congratulations to Prof. Tsung.

Prof. Tsung of HKUST

2010-11 IIE (HK) 31st Annual Dinner

The 2010-11 IIE (HK) Annual Dinner, AGM and Scholarship Award Presentation will take place on Friday 19th August 2011, 7:00pm (6:00pm reception starts) at the World Trade Centre Club Hong Kong, 38/F, World Trade Centre, 280 Gloucester Road, Causeway Bay, Hong Kong.

This year, we are glad to inform you that Cisco Corporation, as one of our event sponsors, will present a video on 'Urban Innovation' and together with other speakers. We believe that your company will be most appreciated by all event participants.

Invitation mails for Annual Dinner have been sent out to IIE (HK) members and friends. You may also refer to <http://www.iiehk.org/2011/04/iie-hk-annual-dinner-2011/> for registration.

Please contact Honorary Secretary of IIE (HK), Mr. Stennis Wong at stennis.wong@iiehk.org for making contribution to or sponsoring the annual dinner.

IIE (HK) Executive Committee Team Building Activities

IIE (HK) Executive Committee members organized a hiking activity and an exco members training to strengthen teamwork within the exco team.

On 9th January, 2011, our team went hiking. We walked from Wong Shek Pier to Hoi Ha Wan. It was a wonderful trip and we would like to share the photos taken in this trip with you through the link below.

Apart from hiking, several Exco members attended a training session provided by Mr. David Wong, the Vice President of IIE (HK) 2010-2011, also a very experienced executive coach, on 16th April, 2011.

Through this workshop our team has gained better understanding of each other as well as ourselves. We would like to take this chance to thank David for his generosity of giving us this training session.

Joint MIE Societies Promotion Leaflet

IIE (HK) has joined Hong Kong Institute of Engineers – Manufacturing and Industrial Engineering Division (HKIE – MIE), Institution of Engineering and Technology (IET) and Society of Manufacturing Engineers (SME) to produce a promotion leaflet for introducing Industrial Engineering and Mechanical Engineering professions.

This leaflet will be distributed in different events to raise understanding about Manufacturing and Industrial Engineering professions among secondary school students.

Full size leaflet can be found from below link.

IIE Student Chapter in HKU Established

We are pleased to announce that the IIE Student Chapter at the University of Hong Kong (HKU) was officially established on 4th April, 2011, with chapter number 727. This is the third IIE Student Chapter set up in Hong Kong, following those in HKUST and CityU. We are delighted to have Dr. Calvin Or from the Department of Industrial and Manufacturing Systems Engineering at HKU to be the faculty advisor for the chapter.

We would like to take this opportunity to thank the newly elected executive committee of the student chapter for their hard work on setting up this student chapter.

IIE (HK) Firm Visit to Yakult (HK)

IIE (HK) Group at Yakult (HK)

About 20 IIE (HK) Mentorship Program mentees and IIE (HK) members participated in the Yakult factory visit on 16th April, 2011. The group was greeted by Mr Gary Lo, Marketing Manager of Yakult HK, who gave our members an informative introduction of Yakult's business operations and manufacturing process in Hong Kong.

After the presentation and a walk-through of the production line, our members gained understanding of the high-volume production process at the Yakult Tai Po plant, which produces 0.7-1 million bottles of Yakult per day. We would like to express our gratitude to Yakult HK for their kind hospitality of hosting our visit.

Humanitarian Engineering Seminar by Dr. Albert Ko

On 14th April 2011, IIE (HK) invited Dr. Albert Ko, Honorary Assistant Professor of the University of Hong Kong, to deliver a seminar on the topic of "Humanitarian Engineering – Improving Quality of Life and Disaster Recovery".

About 20 IIE (HK) members, Honors Mentorship Program mentees and university students were in attendance. With a lively sharing of his rich experience participating in humanitarian projects with Médecins Sans Frontières in various countries, Dr. Ko inspired IIE (HK) members on how to contribute to life-saving and improving efforts with our engineering expertise.

Dr. Ko shared his emergency engineering experience in third world country

Joint Societies Secondary School Students Promotion

Check it out on the web

A joint societies promotion targeting at secondary school students is organized jointly by four major engineering societies, IIE (HK), IET (HK), IMechE and IEEE. The aim of this activity is to raise students' interest in the field of Engineering, Science and Technology. This event will take place on 23rd July 2011 at HKU.

The main theme of this promotion is Smart Homes in the 21st Century. This promotion provides a platform for students to share their views by joining competitions and seminars. We hope to increase secondary school students' understanding about Industrial Engineering through this promotion event.

More information is available from the official website of this event at <http://hkssp.org/>

Project Management Seminar Series

This year, IIE (HK) will jointly organize the Project Management Seminar Series with Project Management Institute (HK) Engineers' Club, Hong Kong Institute of Engineers – Young Members Committee and Hong Kong Institute of Engineers Project Management Specialist Group. The Series comprises four seminars focusing on various Project Management topics.

In the 2nd seminar hosted by IIE (HK), Mr. David Wong, our Vice President, will give a seminar on Human Resource Management on 23rd July 2011.

Please read schedule of this seminar series below. More details will be advised through emails and IIE (HK) websites.

Please email heman.hui@iiehk.org for registration of the 2nd seminar, seats are allocated on a first come, first serve basis.
