On 10-12 Jun 2011, IIE held its first regional conference in Asian Area, IIE Asian Conference 2011, in Shanghai Jiao Tong University. The conference brought together scholars and industrial experts to share their views and experience in IE.

IIE (HK) has organized a panel discussion session in the conference, "IE in 2020's". We are honored to have invited Dr. Aaron Tong, Managing Director, TQM Consultants Co Ltd., Prof. Fugee Tsung, Professor and Head, Dept. of Industrial Eng & Logistics Mgt, HKUST, and Dr. Benjamin Yen, Region Vice President in Asia of IIE to share their views on the future development of IE.

Over 300 IE professionals attended the panel session and it was a huge success. We would like to take this chance to thank all the panelists listed above for their support, and also Dr. Michael Hui, Chairman of Concept Innovation, for being the modulator of the panel.

IIE (HK) Honors Mentorship Program 2011 Closing Ceremony

The Closing Ceremony of IIE (HK) Mentorship Program 2011 was successfully held on 18th June, 2011. We were pleased to have Ms. Musetta So and Ms. Jacqueline Lo to be the guest speakers of this event. Ms. So gave a talk on the basic accounting knowledge and skills for Engineers and Ms. Lo gave a career talk for mentees and offered some very useful interview and CV writing skills.

After the two talks, we arranged a Discussion Session where all the speakers, guests and mentors were invited onto the stage to share their experience and provided the mentees some career guidance. We would also like to take this opportunity to show our appreciation to all the mentors and mentees for their tremendous support and participation in the Mentorship Program.

Project Management Seminar Series No. 2 – Human Resource Management

The Project Management Seminar Series No. 2 – Human Resource Management Seminar was successfully held on 23rd July 2011. This is the 2nd round of the Project Management (PM) Seminar Series, which was jointly organized by Institute of Industrial Engineers (HK), Project Management Institute Hong Kong Chapter (PMIHK) – Engineers' Club, HKIE Project Management Group (PMG) (Patron Division: MMNC), HKIE Young Members Committee (YMC), Institution of Mechanical Engineers – HK Branch and American Society of Mechanical Engineers – HK Section.

Managing human resources in projects involve skills in developing good working relationships with fellow professionals. In this seminar, we were honored to invite Mr. David Wong, the Chairperson of OCI Limited, to discuss about ways of executives and managers in global MNCs applying critical people's skills to deliver great business results. An interactive sharing session was also held with the audience on SWOT analysis, MBTI, and the experience in building relationship with peers and boss.

At the end of the seminar, Miss Vincci Shek, the President of Institute of Industrial Engineers (HK), presented a souvenir to David to thank for his invaluable presentation and fruitful discussion.

Joint Society Secondary School Promotion 2011

More than 100 participants joined the 24 hours@Smart.Home one-day workshop

Joint Society Secondary School Promotion 2011, One-day Workshop – 24 hours@Smart.Home, was successfully held on 23rd July at the University of Hong Kong with over 100 participants. This year, IIE (HK) is honoured to join as a supporting organization of this meaningful annual event which aims to promote engineering to secondary students.

Through a series of seminars and games, students gained knowledge of smart home and smart grid and learned about the importance of “Living Green” in an atmosphere full of happiness and joyfulness. One of the event highlights was group presentations in which students applied the engineering knowledge they gained from the seminars together with their innovations to design their own smart home.

The workshop was a great success and was extremely beneficial to students to enrich their knowledge and learning experience in engineering. We look forward to another successful Joint Society Secondary School Promotion next year!
